## OUR STRENGTH

- Best quality product
- All our locations are easily accessible
- Prompt service
- In house products design team
- In-House tool Assistance
- Delivery of goods secularly with shortest lead time possible
- Specially designed clean room for Pharma & food packaging
- ISO certified (Quality, Packaging & Production) Plant
- Each product design can work with brand packaging concepts

## CAPABILITY

- Product design & development
- Handling turnkey projects
- In mould labeling machines with robotics in IBM
- Automatic screen printing machines
- Shrink sleeving machines
- 2 color automatic UV screen printing machines
- Ability to produce bottles from 5 ml to 2000 ml
- Auto sticker machines
- Anti-counterfeiting features in packing
- Brand protection features in packing

## MACHINERY

- Plastic Injection Moulding Machine
- Plastic Blow Moulding Machine
- Plastic Injection Blow Molding Machine
- In Mould Labeling Machine
- Single Stage Pet Machine
